NICU: Fluids, Electrolytes, Nutrition (see also Neonatology: Enteral and Parenteral Nutrition) Initial Fluids
TPN Components Calorie Calculations It takes a special person to become a nurse, but that's even more true for those who go on to become Neonatal Intensive Care Unit (NICU) nurses. Neonatal nursing is a sub-specialty of nursing care for newborn infants up to 28 days after birth. The term neonatal comes from neo, "new", and natal, "pertaining to ..."
